Subject: Freedom of Information request - Sidewalk Labs

Hi David:

I am replying to your access request, submitted on line on March 6, 2019, under the Municipal Freedom of Information and Protection of Privacy Act.

Your request is for "committee meeting notes, briefing notes, memos and e-mail correspondence on information relating to the Sidewalk Labs and Waterfront Toronto project". Record search is from Aug. 1, 2018 to Feb 1. 2019.

Your request is too broad for us to proceed. I would suggest you to browse the following site and determine if you find any useful information from Council / Committee minutes.

<http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2018.EX30.9>

It will be helpful if you can identify which division in the City of Toronto that you want us to search records from.

If you have any questions, please feel free to contact our office. Thank you.
